BARGAD ENTERPRISES PVT. LTD.

Dear Business Associates & Well Wishers,

Greetings,

We Welcome you to BARGAD world and we thank you for the patronage provided to us over a period of times since its inception in 1972 we have been manufacturing and supplying electrical goods and services. We have proven our strength in providing designer switches, lighting, switchgear, wires, fans ensuring high quality standards and safety.

The journey would have not been successful without your trust and faith in us. We are confident that this trust reposed in us will go a long way towards harvesting quality product and services in every form of your association with us.

Our pursuit of manufacturing high quality aesthetic product that meet all electrical parameters have not gone unnoticed. Product development is a way of life in BARGAD and we will continue to design our products in a line with the latest technology and taste. A recent addition to our range is automation in switches that not only gives ease of operation but also offers comfort to the user.

We thank you once again for providing us an opportunity to serve you and we stand committed to providing you with the best of the technology and products.

Best wishes

NOTES
